We build capacity and opportunity for entrepreneurs and the ecosystems that support them

WHO WE ARE

BBI Professional Services is a business development and capacity-building firm that partners with governments, corporations, lenders, and community organizations to strengthen SMEs, expand access to capital, and build inclusive, sustainable ecosystems.

- Founded on over a decade of experience in entrepreneurship and program design
- Trusted partner to leading financial institutions, Community Organizations, and local governments
- Headquartered in Denver, with national and global reach

WHAT WE DO

BBI delivers capacity-building, advisory, and ecosystem solutions that help entrepreneurs and partners achieve measurable growth.

Focus Area

What We Deliver

Coaching & Advisory

Personalized business coaching focused on strategy, systems, and sustainable growth.

Access to Capital

Capital readiness programs and hands-on advisory support that help SMEs secure loans, grants, and investment.

Program Design & Facilitation

Co-designed entrepreneurship and technical assistance programs developed with government, corporate, and ecosystem partners.

Events & Masterclasses

Cohort-based workshops and curated learning experiences that accelerate business capacity and connection.

The Hub (Digital Platform)

A free online community offering resources, discussions, and peer support for entrepreneurs.

CAPACITY BUILDING THROUGH MASTERCLASSES

BBI Masterclasses offer practical, high-impact training that helps entrepreneurs and SMEs build strategy, systems, and capital readiness. With 60–120-minute sessions and small groups of 10–15 participants, each class delivers actionable tools led by expert facilitators. Participants can earn Certificates of Achievement and access discounted pricing through The Hub, BBI's free entrepreneur community.

OURIMACT

DRIVING MEASURABLE OUTCOMES FOR ENTREPRENEURS AND ECOSYSTEMS.

BBI strengthens entrepreneurs and the ecosystems that support them.

To date, we've served **5,000+ participants** across **160+ workshops and programs**, helping entrepreneurs gain clarity, confidence, and access to capital.

Our team has designed and delivered multi-year capacity-building initiatives in partnership with governments, lenders, and corporations, expanding opportunities for small and medium-sized businesses.

Trusted by partners nationwide, BBI continues to turn resources into measurable results for the communities we serve.

HOWWE PARNER

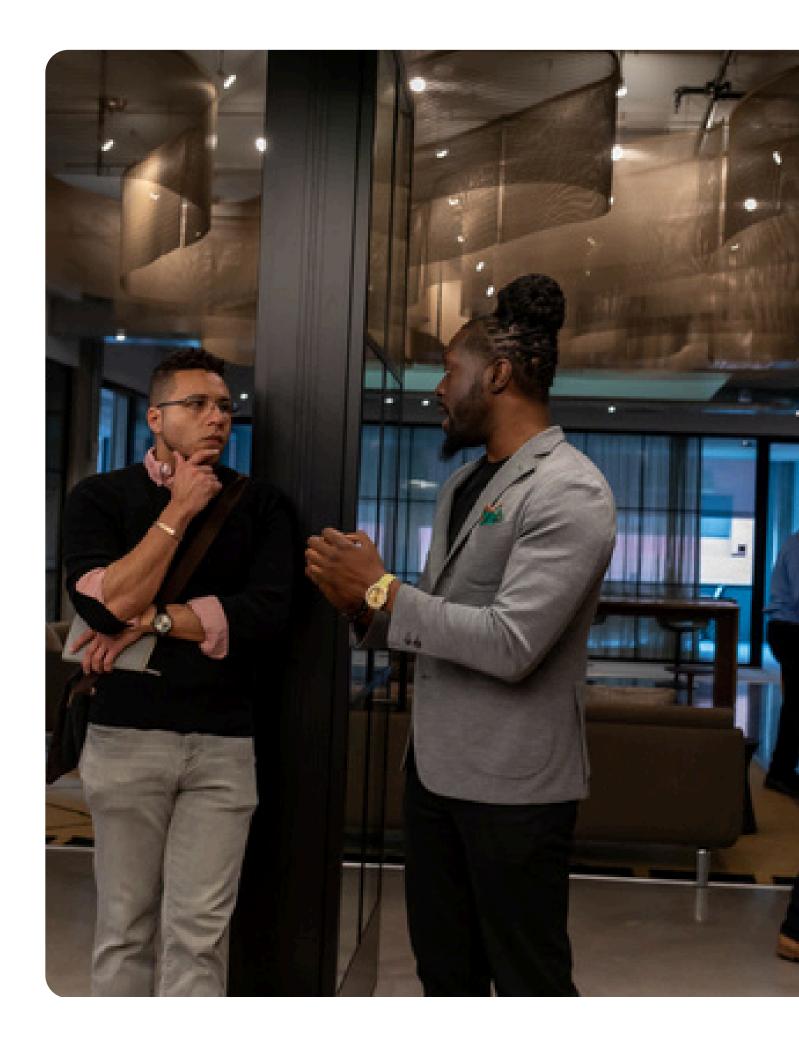

BBI collaborates with governments, corporations, lenders, and ecosystem organizations to strengthen small and medium enterprises through co-created, high-impact initiatives.

- Program Co-Design & Delivery

 We design and deliver entrepreneurship programs that expand access to capital, build business capacity, and achieve measurable results.
- White-Labeled & Embedded Support

 BBI can serve as or enhance your program arm offering fully white-labeled delivery or staff augmentation to extend your impact.
- Pipeline Development & Readiness

 We support entrepreneurs who aren't yet funding- or contract-ready, helping them strengthen operations and meet partner qualification standards.

BBI is a trusted connector between entrepreneurs, institutions, and opportunity.

We combine hands-on experience in small business development with proven systems for coaching, capital readiness, and program execution.

Partners choose BBI for our ability to:

- Translate strategic goals into onthe-ground results.
- Deliver high-quality programs that build capacity and confidence among SMEs.
- Seamlessly integrate or white-label services to strengthen your existing ecosystem.
- Provide data, transparency, and accountability every step of the way.

BBI bridges resources and results — turning partnership into measurable impact.

We're always looking for partners who believe in strengthening entrepreneurs and creating equitable, sustainable growth.

Whether you're designing a new initiative, expanding technical assistance, or investing in small business ecosystems, BBI is ready to help you make it happen.

Let's start the conversation and build something transformative.
